

From the President:

July already and what a year! We just finished a nine-week league just in time for the ASA Western Regional Championship. And, this is the very first ASA Regional ever held – another first for Trosper!

A special thanks to everyone that earned the yellow shirts as club volunteers during the ASA preparation and during the event.

Also, everyone should pat Dennis Lynch on the back, not only for his fine work on the club web site, but also for the week he took off work to help with the ASA shoot. Another special thanks to the event coordinators Jeff and Gayle Steele: without them the ASA shoot most definitely wouldn't have come off as well as it did.

Thanks to your elected officers as well. They made sure all the details were in place for this shoot to be a success.

As we look to the future, please remember to always promote archery in a positive light.

R.W. Aebischer

Announcements

This Saturday, July 26th, there will be a club working party from 8:30 till noon at the outdoor range. The City of Oklahoma City has authorized the Club to reconfigure the outer parking lot and we will be working on that as well as preparing the broadhead pits for the August 9-10 broadhead shoot. Your help is needed so we can complete this parking lot/gate improvement in this one morning. We have a tractor and all necessary tools so just bring yourself and your gloves. Again, the Club needs your help to succeed!

The dates of the Bowhunting Council Broadhead Shoot were erroneously reported in our earlier flyers. The correct dates are August 9-10 so please correct your calendars.

The Board has determined that the next two regularly scheduled club meetings will be held on Monday August 25th and November 17th. Both will begin at 7 p.m. The August meeting will be at the Outdoor Range and the November meeting will be at the Indoor Range. Please go ahead and mark your calendars.

There has been considerable interest in beginning another outdoor field league prior to hunting season. If you are interested in participating in this five-week league, please let President Rhonny Aebischer (405-348-9638) know. He is also searching for someone to help run it.

As usual, we will have fall animal and winter dot leagues at the indoor range. Plan your schedule now and let your officers know if you prefer a Tuesday or Thursday night shoot. If there is enough interest, we may be able to shoot both as we have done in the past.

The following members and friends of Trooper Archery Club volunteered their time to make the ASA Western Regional tournament in July a real success:

- Brandon Adair
- Gary Adair
- Amanda Aebischer
- Dale Aebischer
- Devin Aebischer
- Rhonny Aebischer
- Ron Aebischer
- Charlie Asada
- Roger Ash

Mike Atwell
Carl Belflower
Danny Bowles
Richard Brasiel
Clint Catlett
Tom Cunningham
Rick Demaree
W.E. Duff
Gary England
George Fager
Andy Fields
Kim Francom
Ron Francom
Don Garrison
Raymond Good
Travis Good
Scott Gould
Durwin Horton

Trosper Archery Club has added a number of new 3D targets to keep us competitive with other shoots in Central Oklahoma. If you have been thinking about trying 3D and just don't quite know how to get started, call a member or a Club Officer and we will all be glad to help.

Reminder: Every Saturday (unless a tournament is underway) at 10 a.m. the Trosper JOAD Youth Archery program meets at the Outdoor Range. Help promote archery by telling your friends with youngsters about this low-cost opportunity. No equipment is necessary, just have 'em come on out and give it a try! Call Jane Johnson (405-524-8887) or Gary Adair (405-721-0979) for details or if you have any questions
